8 December 2021

Dear Mr McGoldrick,

Freedom of Information Act request – F0020462.

Thank you for your FOI request dated 10 November 2021

Following clarification you asked: “Can DfT provide any information it holds with the toll operator or anyone acting for them on possible changes to the tolling of the Warbuton Road bridge”

There are 19 documents and the Transport Planning Infrastructure Unit (TPIU) have consulted with all parties referred to in your request to understand any issues they may have with releasing this information. Whilst we are reflecting on this request, we are able to release the information which is set out in Annex A. However, it has been decided that section 40 of the FOI Act which refers to the releasing of Personal data) should be applied to this request. This means that all personal data has been deleted from the released information.

We are considering the remaining documents and hope to be in a position to provide you with further information by 30 December 2021.

### **Appeals procedure**

If you are dissatisfied with the way we have responded to or handled your request, you have the right to ask for an internal review. These should be submitted within two calendar months of the date of this letter and addressed to the FOI Advice Team at [FOI-Advice-Team-DFT@dft.gov.uk](mailto:FOI-Advice-Team-DFT@dft.gov.uk).

Please remember to quote the reference number above in any future communications. If you ask for an internal review and are still not content with the outcome, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted via their online form: <https://ico.org.uk/make-a-complaint/official-information-concerns-report/official-information-concern/>

Yours sincerely,

A handwritten signature in black ink that reads "S. Shuster". The signature is written in a cursive, slightly slanted style.

**Mr Stephen Shuster**
